## WEEK 3 CHANGES

FRIDAY 8TH MAY 2020

### Dear Parents and Guardians,

Thank you so much for working with us over the past 2 weeks. I know it hasn't been easy for you to adjust to the new starting and finishing times as well as not to be allowed on the school site. Likewise, thank you to those parents who have continued your children's education from home. I am sure it has been a challenge for both you and your children.

Next week, there will be some more changes. With well over 85% of students back at school we will return to a direct mode of instruction whilst still providing quality remote learning for those students who are unable to return to school. Please note this means teachers will only be able to check in with students at home during their allocated DOTT time. Specialist lessons will resume for all classes next week as well.

Other changes that will take place have been listed below. Please note drop off and pick up times have been slightly adjusted.

God Bless & Happy Mother's Day

David Tunchon  
Principal

### New Administration

On Monday, Administration will start to move back into our refurbished building. Parents are reminded to park on Chapman Road and phone the office on 9968 2000, if you need to contact your children whilst they are at school.

If you need to pick up or drop off your child during the school day, please call the office and a member of the staff will walk your child to and from the Chapman Road entrance.

Until further notice, parents and visitors are not allowed on school premises. Please call the office and Louise or Helen will help you with your queries.

### Specialist Timetables and Sports Uniform

As of Monday, all of our specialist subjects will resume. This will mean that the days your children wear their sports uniform will be per Term One. Class teachers will contact you via ClassDojo to remind you about the days your children will need to wear their sports uniform to school.
